

## Benthyg Cymru Advisory Board

Benthyg Cymru, Wales' library of things network, is recruiting to its Advisory Board as we work towards making borrowing in Wales as easy and as common as popping out for a loaf of bread. Since the beginning of 2021 we've seen incredible growth, and have supported 11 new library of things across Wales. We now need to identify opportunities and challenges for the next 12 months and beyond while building a resilient and sustainable business model as outlined in our [strategy document](#).

Benthyg Cymru recognises the positive value of diversity, promotes equality and challenges discrimination. We welcome and encourage applications from people of all backgrounds particularly keen to increase representation on the board of people from urban, rural and Welsh-speaking and working class communities around Wales. We particularly welcome applications from disabled and Black, Asian and Minority Ethnic (BAME) candidates as BAME and disabled people are currently under-represented throughout Benthyg Cymru.

We also welcome applicants who have no previous board experience but feel they have something valuable to offer, such as activism, volunteering or community-building work. Support will be given to develop relevant skills and confidence.

Please read the [Terms of Reference](#) for further information

In order to apply, please [download and complete the skills audit](#), including as much information as possible and send with a CV and covering letter (not more than 1 page) to [info@benthyg-cymru.org](mailto:info@benthyg-cymru.org). You can also apply by sending us a video of no more than 3 minutes instead of covering letter and CV (Send Dropbox or Google Drive Link via email).
